Join us aboard **Circle Line** for panoramic views of New York Harbor, hors d'œuvres, and refreshments (cash bar) as we celebrate the beginning of a new season of technical lectures and chapter meetings with the region's two COPRI chapters: **COPRI Met Section Chapter** and **COPRI North Jersey Chapter**.

Learn more about both chapters' plans for the coming year. Network with colleagues in the industry. Explore how **you** can get more involved in your local COPRI chapter. We look forward to seeing you there!
